

## Health Libraries Australia Seminar

### Future Gazing – Innovation, Disruption, Transformation!

Virtual PD event Thursday 26 November 1-4pm

Events of 2020 have disrupted health libraries in many different ways. Disruption provides opportunities for innovation and transformation across our sector. As we look toward 2021 we are asking you about your ideas and insights about how the future might be different.

Keynote Speaker: Professor Nick Talley

Professor Nicholas J. Talley, AC, MD (NSW), PhD (Syd.), FRACP, FAFPHM, FAHMS is a distinguished physician scientist and gastroenterologist, with a special interest in functional and inflammatory gastrointestinal diseases. He is currently a Distinguished Laureate Professor of Medicine at the University of Newcastle. Professor Talley is the current Editor-in-Chief of the Medical Journal of Australia.

Keynote Speaker: Louise Schaper: **“The Future of Healthcare: It’s Health But Not as You Know It”**

As leader of Australia’s peak body for digital health, Dr Louise Schaper, is a passionate advocate for the transformation of healthcare, enabled by technology. As CEO and Fellow of the Australasian Institute of Digital Health she brings together world-class clinicians, researchers, innovators and organisations from across the biomedical, health and technology spectrum who are committed to the improvement of health outcomes enabled through innovative uses of technology and information.

**Sue McKerracher, CEO, ALIA: The Future of LIS Education**

**Anne Harrison Award presentation**

**HCL Henderson Award acknowledgement**

**Peter Murgatroyd, Health Libraries New Zealand**

**Fiona Russell, Australian Evidence-based Practice Librarians' Institute**

**Michele Gaca, HeLins project update**
